SUMMARY

Java Developer with a Bachelor's degree in Information Technology and a strong foundation in Java, SQL, Spring Boot, and object-oriented programming. Passionate about building efficient applications, solving problems, and continuously learning new technologies. Eager to contribute as a fresher in a collaborative software development team.

SKILLS

- **Programming Languages:** Java, SQL, JavaScript
- **Framework:** Spring Boot
- **Web Technologies:** HTML, CSS
- **Database:** MySQL
- **Tools:** Git, GitHub, IntelliJ IDEA
- **Design:** UI/UX, Figma

PROJECTS

- **Plasma Donor Application**
Designed and developed a **Plasma Donor Application** to connect plasma donors with recipients through a user-friendly web interface. Implemented donor registration, search, and record management features using Java and integrated SQL for data storage. Focused on responsive design, functionality, and efficient data management.
Technologies Used: Java, HTML, CSS, JavaScript, SQL.
- **Stock Price Prediction Using ARIMA and PROPHET (Machine Learning)**
Developed a time series forecasting model to predict stock market trends using ARIMA and Facebook Prophet. Performed data preprocessing, visualization, trend analysis, and model evaluation to identify seasonality and forecast stock closing prices from historical financial data.
Technologies Used: Python, R Programming, ARIMA, Prophet, Pandas, Matplotlib
- **Personal Portfolio Website**
Developed and deployed a responsive personal portfolio website to showcase technical skills, projects, certifications, and professional profile. Implemented modern UI/UX design principles with mobile responsiveness and optimized performance for seamless user experience across devices.
Live Project: [Portfolio Website](#)
Technologies Used: HTML, CSS, JavaScript, GitHub Pages

INTERNSHIP EXPERIENCE

Java Developer Intern

Empower Software Hub | May 2025 – Sep 2025

Developed a Plasma Donor Application using HTML, CSS, and JavaScript.

Implemented responsive UI design and client-side validation.

Gained experience in frontend development, debugging, and web application design.

EDUCATION

- **B.Tech Information Technology - CGPA-7.33**
Kings Engineering College | 2021-2025
- **Higher Secondary (12th) – 78%**
Government Higher Secondary School – Iyyapanthangal | 2020-2021
- **SSLC (10th) – 71%**
Government Higher Secondary School – Iyyapanthangal | 2018-2019
